CHILLMECH SERVICES PTY LTD - ACCREDITED SERVICE PARTNER FOR SMARTD-POWERPAX OIL-FREE CHILLER TECHNOLOGY

Dear Sir/Madam,

We advise that Chillmech Services Pty Ltd has been Smardt-Powerpax' accredited service partner in oil-free technology since 2003 and continues being very closely associated with our company.

During our association, Chillmech Services has made significant investment in training its service technicians in our oil-free technology and currently employs eight (8) factory-trained technicians who are fully conversant with all aspects of Smardt-Powerpax' products and associated technologies.

To date Chillmech Services has commissioned 232 Smardt-Powerpax chillers, of which 39 units are still under warranty. Furthermore, we are pleased to advise that, according to our records, Chillmech Services has historically retained over 60% of all service contracts for all Smardt-Powerpax chillers outside of warranty period, during which it carried out the service and maintenance responsibilities as Service Partner on Smardt-Powerpax behalf.

Chillmech Services has been one of Smardt-Powerpax' outstanding Service Partners and we would not hesitate to recommend their services to any of the customers who require expert advice and/or service in the field of oil-free chillers.

Please do not hesitate to contact the writer directly on (03) 9761 7905 if you have any further queries with regard to Chillmech Services' abilities and performance.

Yours sincerely
